The Court orders that the motion for reconsideration is GRANTED.

In lieu of granting the delayed application for leave to appeal, the Court orders that this case is REMANDED to the trial court for re-sentencing. The trial court is to review and revise the scoring of the sentencing guidelines, particularly in light of the prosecutor's admission that the scoring of OV 11 is incorrect, and also with particular attention to OV 13. The trial court shall re-sentence defendant under the revised guidelines.

This Court does not retain jurisdiction.
